## **PRESS RELEASE**

### **From Energy Service Innovation to Compliance with K3, Elnusa has won a series of awards throughout 2022**

**Jakarta, 8 February 2023** - PT Elnusa Tbk (Elnusa), a leading energy service company that provides total solutions, incorporated in Pertamina Subholding Upstream, continues to provide its best services. For the exemplary and optimal implementation of the various activities it carries out, Elnusa was awarded a series of awards from various parties throughout 2022.

Jayanty Oktavia Maulina, Elnusa's Manager of Corporate Communications, explained that Elnusa was able to bring home more than 30 awards from various categories in several events last year. According to him, this achievement was due to the hard work and synergy of all Elnusa Officers in carrying out their work.

"Elnusa expresses her gratitude to all officers who always support the company's business and operations in totality, so that we can always provide the best service in every job entrusted to Elnusa. Of course we will continue to improve competence and service so that we can make a better contribution in the following years," said Jayanty.

Of the series of awards that Elnusa has won throughout 2022, which is quite prestigious, is the Dharma Karya Muda award from the Ministry of Energy and Mineral Resources (ESDM) for Elnusa's success in the Cementing Services Business Unit on red and white cement slurry innovation to support drilling in the Mahakam Block shallow gas well which managed by Pertamina Subholding Upstream Regional 3 Zone 8 PT Pertamina Hulu Mahakam.

Then Elnusa also won the "1st Place Winner EOR Field Achievement" at Vibrosesimic EOR in the 2022 EOR Festival held by the Oil and Gas Testing Center (Lemigas) Directorate General of Oil and Gas, Ministry of Energy and Mineral Resources. Elnusa also won an award from the Best Syariah 2022-Investor Magazine event, where Elnusa, as the issuer of Phase I Sustainable Sukuk Ijarah I in 2020, was selected to receive an award as the Best 2022 Sukuk Ijarah.

In the field of Keselamatan dan Kesehatan Kerja (K3), Elnusa received a prestigious award from the Directorate General of Public Health, Ministry of Health of the Republic of Indonesia, for the Implementation of Occupational K3 and Health Protocols in the Ministry/ BUMN / National Private Office Category. Then there is still the achievement of four stars - GOLD at the World Safety Organization (WSO) Indonesia Safety Culture Award (WISCA) 2022, and received appreciation from PT Pertamina Hulu Sanga Sanga (PHSS) for achieving 1.6 million working hours without Lost Time Incident

(LTI) ) on the Elnusa Modular Rig (EMR) Project, as well as 1.5 million working hours without Lost Time Incident (LTI) on the CTU Operation Project.

Elnusa also won an award for implementing Social & Environmental Responsibility (TJSL) in the Oil and Gas category with the title 'Action' Silver (TrenAsia ESG Excellence 2022). Then four awards from the 2022 Human Capital on Resilience Award: The Best Organization Structure, The Best Excellence in Workforce Flexibility and Mobility, The Most Resilience Company 2022, and The Best Leadership Development Focus on HC received by Elnusa Director of HR & General Affairs Tenny Elfrida.

Apart from that, Elnusa also won the Silver Prize for Excellent Effort in Creating Invention(s) in "Improving the Company's Competitive Advantage in 3d Seismic Operations in Shallow & Transition Areas with Portable Smart Nodal Deployment System Innovation in PT Pertamina EP Regional, 3D X-Ray Seismic Survey (Exhibited at the SIIF 2022, Seoul Korea, Malaysia Innovation Association). Finally, Elnusa won the Best Role Model on Data Integration from the Human Capital HSH Award.

Then from the 2022 Upstream Improvement Innovation Award (UIIA) event organized by PT Pertamina Hulu Energi (PHE) as Pertamina Subholding Upstream, Elnusa won 11 awards, including 4 awards in the Platinum category, 6 Gold, 1 Silver, and received several other special nominations.

Meanwhile, for awards to individuals in the management ranks, Elnusa can be proud of the success of John Hisar Simamora as Elnusa's Main Director, who won the Best CEO Oil & Gas Services Company award from the Energy & Mining Editor Society (E2S) Award 2022. At the same event, Jayanty Oktavia Mauliana won Best Public Relations Manager Oil & Gas Services Company. Meanwhile, from the Appreciation Day 2nd Anniversary held by The Iconomics Media, Elnusa won the Best Corporate Secretary and Top Good Corporate Governance (GCG) awards. There is another Best First-Time Manager Program Bronze Category from the 2022 Employee Experience Awards throughout Southeast Asia.

Several other awards include the Most Innovative Energy and Mining Company award for The Development of Integrated and Sophisticated Digital Systems in the Energy and Mining Industry category from Warta Ekonomi "Indonesia Digital Innovation Awards 2022", The Best Annual Report for Public Company Platinum Category (Economic Review), The Best GRC for Corporate Governance & Compliance 2022 for the Energy Services Category which won four diamonds (GRC & Performance Excellence Award 2022).

According to Jayanty, the series of appreciations and awards proves Elnusa's competence and qualified capability in providing total solutions to the energy services business. He also hopes that Elnusa's best services, which have received appreciation, can play an essential role in taking steps with all stakeholders in Indonesia to increase oil and gas production and maintain national energy security.

"Elnusa certainly won't be complacent for these various appreciations. This award will be a whip and more encouragement for us to continue to hone our competencies and produce sustainable innovations, so that the service solutions we offer are more excellent and much sought after in the future," said Jayanty.
