

Supporting Sustainable Development Goals, Elnusa Grants Head Trucks for Educational Agencies

Jakarta, September 4 2021, PT Elnusa Tbk (Elnusa) through its subsidiary PT Elnusa Petrofin (EPN) held a CSR program 'Head Truck Tanker Grants' to four educational institutions in Indonesia which will be carried out in stages within one month. One of the educational institutions in Indonesia, Universitas Negeri Jakarta (UNJ) received the first opportunity to hand over the Head Truck Grant.

The ceremony for this CSR activity was held in a hybrid way offline at the UNJ Ballroom Training Center and also online. The handover of the Head Truck was carried out symbolically through the signing of the handover document by the President Director of Elnusa Petrofin, Haris Syahrudin to the Deputy Chancellor IV for Planning and Cooperation, Dr. Totok Bintoro M.Pd who represented the Chancellor of UNJ accompanied by the Dean of the Faculty of Engineering UNJ, Dr. Uswatun Hasanah, M.Sc. Furthermore, the key to the Tank Car Head Truck was also symbolically handed over by Tenny Elfrida, Director of Human Resources and General Affairs, and also Director of Finance of PT Elnusa Tbk.

Dr. Totok Bintoro M.Pd in his speech expressed his gratitude for his attention and concern in the field of education to Elnusa Group which has provided assistance in the form of a Head Truck for UNJ. "Of course this Head Truck will be a very valuable asset for us in supporting the development of education for students, especially at the Faculty of Engineering UNJ."

Tenny Elfrida in the discussion opportunity after the event said that "This activity is one of the series of the 52nd Anniversary of Elnusa, and this is a form of implementation and a tangible manifestation of Elnusa's commitment to CSR activities in the education sector which refers to ISO 26000: Social Responsibility and Sustainable Development Goals (SDGs) Goal 4 is Quality Education. Currently, we continue to strive to roll out CSR programs in the education sector to provide benefits not only from Elnusa and Elnusa Petrofin but also a collaboration with other Elnusa subsidiaries and are expected to be able to provide a Multiplier effect for Education in Indonesia. We hope this program will continue with other activities.

Meanwhile, Haris Syahrudin said, "The CSR Head Truck Grant activity to 4 educational institutions is a form of implementation of one of Elnusa Petrofin's CSR pillars, namely 'Petrofin Pintar' which focuses on the world of education. We hope that the assistance we provide can be utilized as much as possible as a practicum facility for UNJ students"

As a Leading Energy Service Company that Provides Total Solutions, Elnusa has this CSR Program divided into 4 pillars, namely: Education, Health, Environment, and Community Empowerment. Currently, Elnusa is holding the Elnusa Leader's Sharing & Action (ELSA) program as one of the Social and Environmental Responsibility programs in the field of education by sharing knowledge and experiences with students at universities which is also one of the CSR activities in the series of Elnusa's 52nd Anniversary.

Overview of Elnusa (IDX: ELSA)

ELNUSA is an energy service company with core competencies in upstream oil and gas services, namely seismic services (geoscience services: land, transition zone & marine and data processing), oil & gas field drilling & maintenance services (drilling & oilfield services), engineering services, procurement, construction & operation maintenance (EPC-OM), and other supporting services.
