

JOINT PRESS RELEASE

Synergy with BAZNAS, ELNUSA Builds Permanent Housing for Earthquake Victims in Central Sulawesi

Jakarta, 29 November 2018. PT ELNUSA Tbk (ELNUSA), a trusted energy service company, continues social action for victims of the earthquake and tsunami in Palu, Sigi and Donggala, Central Sulawesi. Previously during the emergency response period, ELNUSA fully supported the Government and Pertamina's efforts to directly recover the distribution of BBM through its subsidiary PT Elnusa Petrofin, as well as sending logistical and medical assistance.

During the recovery period, ELNUSA sent volunteers for trauma healing and provision of clean water facilities. Continuing recovery efforts, then ELNUSA built housing for earthquake victims in collaboration with Badan Amil Zakat Nasional (BAZNAS). The ceremonial signing of the cooperation was held today, held at Graha Elnusa, South Jakarta.

President Director of ELNUSA, Tolingul Anwar said, "For the natural disasters that have befallen our brothers in Palu, Sigi and Donggala, ELNUSA is very empathetic. Various steps, both through Elnusa Group and Pertamina Group, we strive to contribute to the community Central Sulawesi can immediately rise again, and cooperation with BAZNAS is a further effort by ELNUSA to provide permanent housing so as to ease the difficulties of the victims".

In this fixed housing supply program, ELNUSA built 16 residential units, with a donation of around Rp. 554 million. Previously ELNUSA in collaboration with PT Donggi Senoro LNG gave up ten clean water facilities to the Governor of Central Sulawesi, Longki Djanggola, on Tuesday (27/11).

"Hopefully this effort will help alleviate our brothers whose homes have been destroyed by the earthquake and tsunami, in Central Sulawesi. In addition, we hope that this contribution can contribute to the government's plan to provide shelter for the victims," Tolingul continued.

Meanwhile, President Director of BAZNAS, Arifin Purwakananta welcomed the plan of ELNUSA to support the provision of this permanent residence,

"BAZNAS has collaborated with many partner companies to help alleviate the burden experienced by communities affected by the earthquake and tsunami in Central Sulawesi. This synergistic collaboration is expected to continue and increase, so that the aid channeled by BAZNAS can be more evenly distributed." he said.

ELNUSA and BAZNAS have a vision that is in line in terms of determining the right steps for recovery. During the emergency response period, BAZNAS has established service posts in ten points spread across Central

Sulawesi. From these posts there are health services, public kitchens, and emergency mosques, as well as a center for logistics distribution to affected communities.

"The synergy of the programs carried out by BAZNAS and ELNUSA is expected to immediately help restore community activities that were halted after the earthquake and tsunami occurred," continued Arifin. ***
