

PRESS RELEASE

Elnusa Provides Permanent Residential & Clean Water Facilities for Victims of Natural Disasters in Central Sulawesi

Central Sulawesi, March 5, 2019 - PT Elnusa Tbk (Elnusa), a leading energy services company, has begun to submit permanent housing for victims of natural disasters in Central Sulawesi. The surrender of this residence is a series of Elnusa social care that began in September 2018. In addition, Elnusa also handed over clean water well facilities that had been built previously.

President Director of Elnusa, Tolingul Anwar said, "The provision of permanent housing and clean water well facilities is a realization of our commitment to care for victims of natural disasters in Palu, Sigi and Donggala, Central Sulawesi. Hopefully what we provide can be best utilized by the victims. "

Since the occurrence of natural disasters, Elnusa has made every effort to provide emergency response assistance. Not only logistical and medical assistance, but support for the Government and Pertamina in restoring fuel distribution through PT Elnusa Petrofin, to sending trauma recovery volunteers. Total assistance that has been and will be delivered includes 25 clean water well facilities and 16 permanent housing units. The symbolization of the delivery of aid was carried out in Sigi Regency, Central Sulawesi, today.

"We thank all parties who have the pleasure to collaborate in the concern for the victims of this natural disaster. Hopefully, these efforts can help alleviate our brothers in Central Sulawesi, "concludes Tolingul. ***

Glance PT Elnusa Tbk (ELNUSA)

ELNUSA is an energy services company with core competencies in upstream oil and gas services, namely seismic services (geoscience services: land, transition & marine zones and data processing), drilling & oilfield services, engineering, procurement, construction & operation maintenance (EPC-OM), as well as other supporting services. Currently ELNUSA is serving national and international oil and gas companies, including Pertamina Group, British Petroleum, Conoco Phillips and others. ELNUSA has six subsidiaries engaged in oil and gas support services, energy logistics & distribution services and other supporting services.
