

PRESS RELEASE

At the end of 2020, Elnusa Wins Appreciation from Various Institutions

Jakarta, 17 December 2020 - PT Elnusa Tbk (Elnusa), a national energy service provider company, has proven its existence by winning three awards at the same time at the end of 2020 from various different institutions.

Earlier this week (14/12), Elnusa won an award at the 2020 Bisnis Indonesia Award for the category of public companies engaged in the oil and gas mining sector. The award was received by Elnusa's Finance Director, Hery Setiawan through online.

When receiving the award, Hery expressed his appreciation for the award Elnusa had won. "Thank you to Bisnis Indonesia for the award that has been given. This year has been a year full of challenges for all of us. For the oil and gas industry, this challenge comes not only from the Covid-19 pandemic which affected operational activities and caused a decrease in national fuel consumption, but also due to fluctuations in world oil and gas prices and fluctuations in the rupiah exchange rate. Alhamdulillah, up to the third quarter we have successfully passed these challenges and we are optimistic that we will close them with positive and encouraging achievements. "

"Hopefully the Covid-19 pandemic can be resolved soon and restore Indonesia again. Once again, we would like to thank Bisnis Indonesia for the good cooperation and appreciation given this. " Close Hery

In the event, Elnusa defeated several issuers engaged in the same sector such as PT Energi Mega Persada Tbk. (ENRG), PT Astrindo Nusantara Infrastruktur Tbk. (BIPI), PT Medco Energi Internasional Tbk. (MEDC), PT Perdana Karya Perkasa Tbk. (PKPK), PT Super Energy Tbk. (SURE), PT Radiant Utama Interinsco Tbk. (RUIS).

Still in the same week, for the first time Elnusa won the Asia Sustainability Reporting Rating 2020 in the Bronze category. The Asia Sustainability Reporting Rating (ASRRAT) 2019 is an award-awarding activity given to institutions that have successfully communicated sustainability performance to stakeholders through good sustainability reports.

The event was attended by the Director of Human Resources & General Affairs, Tenny Elfrida who received the award. Tenny is also grateful for the award given by Elnusa in the Asia Sustainability Reporting Rating 2020 (ASSRAT).

"This is clear evidence that Elnusa's consistency towards sustainability led Elnusa to receive this award. Apart from that, of course we will also make it an improvement room for the company's sustainable growth to be even better in the future. Close Tenny.

In addition, Elnusa is also one of the winners of the Indonesia Top Digital Public Relations Award (Top Digital PR Award) 2020. The Indonesia Top Digital PR Award 2020 is an award that is specifically dedicated

to companies that have succeeded in utilizing Digital PR. Namely in building a reputation, communicating, and engaging with the community to create positive perceptions of the product and company.

Elnusa's Head of Corporate Communications - Wahyu Irfan, who was present online representing Elnusa's Management, said "This year is a year full of challenges in various industries, especially the oil and gas industry itself because not only from the side of the COVID-19 pandemic which affects operational activities but also the decline in National BBM. the oil and gas population and the exchange rate value really squeezed Elnusa's performance. Alhamdulillah, Elnusa's performance remains positive and in terms of Public Relations, the development of industry 4.0 certainly makes it easy for all of us, the development of industry 4.0 then digitization which of course we are taking advantage of well. Thank you for this appreciation, hopefully it will be an improvement for all of us in the future. I hope the COVID-19 pandemic can be resolved properly and restore Indonesia in the future ".

The winner of the Top Digital PR Award 2020 was determined through the 2020 Digital Public Relations Index in August - October 2020 for 712 public companies in Indonesia. Through three digital assessment parameters, namely Digital Media Aspect, Digital Sentiment Aspect, and Digital Awareness Aspect.

The results of the assessment of the award, Elnusa as an integrated energy service company in providing total solutions as well as a strong commitment and innovation that is carried out continuously provides a positive contribution to the company, this is reflected in more than 4,000 internet reviews every year and more than 700 news in digital media.

The achievement of these three awards is a clear proof of Elnusa's seriousness in providing energy services through Total Solution Services as well as being an encouragement to continue to provide the best to stakeholders.
