## **PRESS RELEASE**

# **Appreciating the 2022 Financial Performance, Elnusa's Director of Finance Wins the Best Performance Chief Financial Officer Award**

**Jakarta, March 8 2023**, Finance Director of PT Elnusa Tbk (Elnusa) Bachtiar Soeria Atmadja, won the "Best Performance Chief Financial Officer 2023 in Accelerating Consistent Business Growth, Category: Energy" award in an award ceremony by Warta Ekonomi which was held online on Tuesday, February 28, 2023, with the theme Preventing the Risk of Energy Disruption and Inflation.

With the increasing trend of economic growth that Indonesia is currently experiencing, the important role of company leaders, including the Finance Director, is very crucial to keep adapting and innovating to maintain the continuity of the Company's business activities.

Bachtiar has over 30 years of career experience in various positions in several companies. He has held several strategic positions in the financial sector, such as Head of Structured Finance at PT Bank Universal Tbk, Deputy Director at PT Bank Persyarikatan Indonesia, Vice President of Special Asset Management at PT Bank Maybank Indonesia Tbk, and Senior Vice President at PT Bank ICBC Indonesia until now. as Finance Director of PT Elnusa Tbk.

Elnusa managed to close 2022 by posting a prestigious performance amid conditions of uncertainty due to global turmoil throughout 2022, which continued from the previous year as well as after the impact of the pandemic by posting a net profit of IDR 378 billion, growing substantially 248 per cent Year on Year (YoY). This achievement is clear evidence of Elnusa's excellent financial performance.

"This award is dedicated to all Elnusa officers who have shown their best performance throughout 2022. For us, this achievement can be realized not only for the performance of one or two people but the enthusiasm of all officers who want to rise from the past pandemic. Through this award, it is also a motivator for the entire Board of Directors and me to be able to maintain and even improve performance even more brilliantly for Elnusa in the future," concluded Bachtiar.

**About Elnusa (IDX: ELSA)**

*Elnusa is a subsidiary of PT Pertamina Hulu Energi (PHE) incorporated in Subholding Upstream Pertamina. As a total energy services solution company, Elnusa has core competencies in upstream oil and gas services, supporting services, and energy distribution and logistics services. The upstream oil and gas service line includes Geoscience & Reservoir services (land, transition zone & marine, and data processing), oil and gas field drilling & maintenance services (drilling & workover), engineering, procurement, construction & operation maintenance (EPC-OM) services.
