Chasing National Vaccination Target, Closing the Year 2021 with Vaccinations Activities

Jakarta, November 30, 2021 – PT Elnusa Tbk (Elnusa) a leading national energy services company continues to support government programs in realizing the 'Target of Vaccine Implementation of 2.3 Million Per day', Elnusa held a 'Healthy Vaccine II With Elnusa' in the Graha Elnusa Canteen Area (27/11).

In collaboration with the Jakarta Health Office and Pasar Minggu District Health Center, Elnusa provides Astra Zeneca vaccine type for the age group of 18 years and above and Sinovac vaccine for the age group of 12 years and above. Of the 500 doses provided, 198 doses have been given to vaccine recipients, namely Officer Elnusa and the community around Graha Elnusa Jakarta, with details of 170 doses of Astra Zeneca vaccine and 28 doses of Sinovac vaccine.

Corporate Secretary, Ari Wijaya said that "This activity is one of our efforts from the corporation in supporting the achievement of national vaccination targets. We support the acceleration of vaccination to continue, hopefully in the next year Elnusa can take a role to participate in the implementation of childhood vaccination in 2022 to welcome face-to-face learning together." he said.

Starting from November 2, 2021, the central government determined that the entire DKI Jakarta area entered level 1 status for the extension of the Community Activity Restriction (PPKM) program. Dr. Hasto as the Event Builder, in his safety moment revealed "Ahead of the Christmas and New Year holiday period, People in Indonesia need to realize that the potential for increased transmission of Covid-19 cases can occur again. Compliance with health protocols should be implemented and seriously monitored while adhering to health protocols. Because if we are caught off guard, the potential for an increase in cases will be even greater," he explained.

Previously Elnusa had held a Healthy I vaccination with Elnusa in August 2021 in Graha Elnusa, Jakarta, in September 2021 for vaccine I in Indramayu and October 2021 for vaccine II in Indramayu.
