ELNUSA Achieve Best HSE Performance

Jakarta, 09 June 2023 - PT Elnusa Tbk (Elnusa), a leading energy services company incorporated in Pertamina's Upstream Subholding, has again shown its good track record through a series of achievements achieved from time to time. This time Elnusa won the Best HSE Performance 2023 award from PT Pertamina EP (PEP) Regional 3 Zone 10 Bunyu Field on June 6 2023 in Bunyu, North Kalimantan.

Elnusa's Corporate Secretary, Asmal Salam said that this award was an appreciation for the commitment and implementation of safety management that Elnusa implemented while working. In addition, this award is also clear evidence that Elnusa not only prioritizes quality in its services, but also implements work safety management properly and according to applicable policies. "This achievement is inseparable from the fact that Elnusa consistently carries out HSSE campaigns such as Corporate Life Saving Rules and other HSSE campaigns which are carried out spread across Elnusa's Internal to all business lines in the Field," said Asmal.

Since 2005 until now, Elnusa has provided various upstream oil and gas services in PEP Regional 3 Zone 10 Bunyu Field, including Electric Wireline Logging, Slickline, Mud Logging and other drilling support services.

Asmal added, as a form of commitment, Elnusa also took part in co-signing Partner HSE commitments with PEP Regional 3 Zone 10 Bunyu Field. "This award is the result of the hard work of Elnusa Officers and of course we will use it as motivation going forward to be able to continue to improve performance even better. We will also continue to be committed to providing services with the best total solutions starting from the HSSE aspect as well as operations and synergizing with other Pertamina groups and encouraging the achievement of the company's vision and mission going forward to support the realization of energy independence and national energy security." Concluded Asmal.

About Elnusa (IDX: ELSA)

Elnusa is a subsidiary of PT Pertamina Hulu Energi (PHE) incorporated in Subholding Upstream Pertamina. As a total energy services solution company, Elnusa has core competencies in upstream oil and gas services, supporting services, and energy distribution and logistics services. The upstream oil and gas service line includes Geoscience & Reservoir services (land, transition zone & marine, and data processing), oil and gas field drilling & maintenance services (drilling & workover), engineering, procurement, construction & operation maintenance (EPC-OM) services. Supporting service lines include marine support services, fabrication, to data management. The energy distribution and logistics service line includes fuel transportation services, depot management, and chemical sales. Currently, Elnusa serves national and international oil and gas companies, including Pertamina Group, British Petroleum, Conoco Phillips, Soco Exploration (Vietnam) Ltd, etc. Elnusa is listed on the Indonesia Stock Exchange with the issuer code 'ELSA' and has five subsidiaries that support its competence.
