PRESS RELEASE

Strengthening Work Partner Synergy: Elnusa Holds Contractors HSSE Meeting (ENCORE) 2023

Jakarta, 6 December 2023 – PT Elnusa Tbk (Elnusa), a leading energy services company that provides total solutions and is part of the Pertamina Upstream Subholding, is holding the Elnusa Contractors HSSE Meeting (ENCORE) 2023 in a hybrid (online & offline) manner for the third time, in the Room Udaya Graha Elnusa - Jakarta. ENCORE is a communication forum for Elnusa Working Partners (Vendors/Subcontractors) to create synergy and collaboration in realizing HSSE Excellence performance through fulfilling the criteria for implementing the Contractor Safety Management System (CSMS) by Elnusa Working Partners.

This ENCORE carries the theme Accelerating Collaboration Toward Sustainable HSSE Excellence as a form of hope for acceleration and collaboration between Elnusa and its Working Partners in achieving a common goal, namely maintaining HSSE excellence performance. Attended in person by 126 Work Partners and 117 Work Partners who attended online. This event was attended by President Director of Elnusa John Hisar Simamora, VP HSSE - Pertamina Hulu Energi Subholding Upstream Geri Simansyah Achsan, VP HSSE Elnusa Ramon A. Pilli, VP Supply Chain Management Elnusa Didik Purwanto, Director of Elnusa Subsidiaries, and all Elnusa Management.

In a series of events, Elnusa Working Partners received explanations regarding Full Cycle CSMS Implementation, Sharing Session Learning From Events, and Robust Safety Culture. On this occasion, Elnusa also gave appreciation to its Working Partners which were divided into 4 categories including The Best Contractor in CSMS for Upstream - Oil Field Services Operation, The Best Contractor in CSMS for Upstream - Geoscience Reservoir Services Operation, The Best Contractor in CSMS for EPC - OM Operation, and The Best Contractor in CSMS for Operation Support.

Vice President HSSE Pertamina Hulu Energi - Subholding Upstream, Geri Simansyah Achsan, who gave a speech on this occasion, said, "the existence of Working Partner forums like this is an activity that we hope to make more continuous and I hope that this activity is not only ceremonial, but also a Partner "The work presented here really brings an understanding of the HSSE performance that we both hope for," said Geri.

The Main Director of Elnusa, John Hisar Simamora, in his speech said, "As we already know and are carrying out together, we have optimized the Full Cycle CSMS implementation process during 2023 so that it is better than the previous year, and it is hoped that in 2024 it will be even better. from this year. "We do this to maintain our best performance," said John.

John added, "We don't get tired of Top Management reminding all ladies and gentlemen as Management of Elnusa Working Partners to continue to understand and apply Pertamina's Golden Rules, namely Obedience, Intervention and Caring, not only as jargon, but also actually implemented in the field. "Apart from that, there are also 15 Life Saving Rules so that all frontliner colleagues who work in the field are aware of them," concluded John.

About Elnusa (IDX: ELSA)

Elnusa is a subsidiary of PT Pertamina Hulu Energi (PHE) incorporated in Subholding Upstream Pertamina. As a total energy services solution company, Elnusa has core competencies in upstream oil and gas services, supporting services, and energy distribution and logistics services.
