Elnusa Shares Goodness, Holds Joint Prayers and Donates for Orphans

Jakarta, 14 November 2023 - PT Elnusa Tbk (Elnusa) held a Joint Prayer & Donation activity for Orphans which was held in the Udaya Room, Graha Elnusa Building. This event aims to provide benefits to orphans through compensation and spreading positive energy in the Elnusa environment. This Joint Prayer & Donation for Orphans was provided to several foundations including the Syiarul Qur'an Foundation, Insan Gemilang Sehati Foundation, Elsafan Foundation, Nursing Home & Kemah Beth Shalom Orphanage.

This event was held with the theme "Synergy Create Excellent Journey of Sustainability" which reflects the spirit of collaboration, achieving excellence and a sustainable journey in carrying out company activities.

Elnusa President Director John Hisar Simamora, in his speech said, "through this Joint Prayer & Compensation Social Action activity, it is hoped that it will be a blessing for all aspects of work in the Elnusa environment, creating a harmonious and blessed work environment. "We hope that what we do today can provide benefit and happiness to others," said John.

Also attending this activity, Elnusa President Commissioner Agus Prabowo in his speech said "Elnusa as an oil and gas services contractor certainly has high work risks. We gather here to remind each other, pray for each other, and share love with each other. "We pray together so that all Elnusa workers can be protected from danger and always be protected by Allah subhanahu wa ta'ala," concluded Agus.

This event closed with the signing of the handover minutes and also a symbolic handover of compensation given to the relevant foundations.

About Elnusa (IDX: ELSA)

Elnusa is a subsidiary of PT Pertamina Hulu Energi (PHE) incorporated in Subholding Upstream Pertamina. As a total energy services solution company, Elnusa has core competencies in upstream oil and gas services, supporting services, and energy distribution and logistics services. The upstream oil and gas service line includes Geoscience & Reservoir services (land, transition zone & marine, and data processing), oil and gas field drilling & maintenance services (drilling & workover), engineering, procurement, construction & operation maintenance (EPC-OM) services. Supporting service lines include marine support services, fabrication, to data management. The energy distribution and logistics service line includes fuel transportation services, depot management, and chemical sales. Currently, Elnusa serves national and international oil and gas companies, including Pertamina Group, British Petroleum, Conoco Phillips, Soco Exploration (Vietnam) Ltd, etc. Elnusa is listed on the Indonesia Stock Exchange with the issuer code 'ELSA' and has five subsidiaries that support its competence.
