Elnusa Supports the Development of the Young Generation, Establishes Synergy with PEM Akamigas Cepu

Jakarta, 14 November 2023 - PT Elnusa Tbk (Elnusa), a leading energy services company that provides total solutions, plays a role in developing the education ecosystem to produce superior human resources (HR). Elnusa in this activity not only trains young generation candidates to be ready to work in the oil and gas sector, but also in other industrial fields.

In an effort to support the development of the educational ecosystem, Elnusa collaborated to sign a Memorandum of Understanding (MoU) with the Energy and Mineral Polytechnic (PEM Akamigas) which coincided with the ongoing Open Senate Session of the 57th Anniversary of PEM Akamigas with the theme "Academic and Industrial Synergy to Achieve Energy Independence", which was held at Graha Oktana PEM Akamigas last month, Tuesday (24/10/2023).

The signing was attended by VP Human Capital Elnusa Agung Wahidin Wibisana, Director of PEM Akamigas Dr. Erdila Indriani, S.Si., M.T. who also signed a Cooperation Agreement with the Head of the Human Resources and Organization Division of SKKMigas Daniel Kurnianto and the Chairman of ESTV Dom Bosco Maumali Timor Leste BR. Marcal Amaral Lopes.

Director of Human Resources & General Affairs Hera Handayani said that this activity is of course in line with the global agenda for Sustainable Development Goals (SDGs) goal 4, namely education for all by 2030. In the MoU both parties agreed on several things, including the Field Work Practice Program (PKL), Merdeka Campus Independent Learning Internship (MBKM), Internship Program, Recruitment, human resource competency development, improving the quality of human resources, public lectures etc.

"We work together to support education that produces graduates who are ready to work. "Education is one of the keys to producing quality human resources, reducing poverty rates, accelerating economic growth in Indonesia and achieving gender equality," said Hera.

At the 57th Anniversary event, Elnusa was also trusted to present a Scientific Oration delivered by General Manager (GM) Marketing Elnusa Novrizal, who explained the Vision of PT Elnusa Tbk, namely as Reputable Energy Services by Providing Total Solution.

In order to achieve the Company's vision, this strategy is carried out in line with the company's mission, namely building harmonious and mutually beneficial relationships with the government, partners and the community. In this case, one of them is universities in Indonesia.

Not only that, this is also the Company's focus through one of its Corporate Social Responsibility (CSR) activities in the Education sector in the Elnusa Leader's Sharing & Action (ELSA) program which was carried out at PEM Akamigas Cepu last year. ELSA is a program to share knowledge and experience with students at various universities with resource persons from leaders at Elnusa.

About Elnusa (IDX: ELSA)

Elnusa is a subsidiary of PT Pertamina Hulu Energi (PHE) incorporated in Subholding Upstream Pertamina. As a total energy services solution company, Elnusa has core competencies in upstream oil and gas services, supporting services, and energy distribution and logistics services. The upstream oil and gas service line includes Geoscience & Reservoir services (land, transition zone & marine, and data processing), oil and gas field drilling & maintenance services (drilling & workover), engineering, procurement, construction & operation maintenance (EPC-OM) services. Supporting service lines include marine support services, fabrication, to data management. The energy distribution and logistics service line includes fuel transportation services, depot management, and chemical sales. Currently, Elnusa serves national and international oil and gas companies, including Pertamina Group, British Petroleum, Conoco Phillips, Soco Exploration (Vietnam) Ltd, etc. Elnusa is listed on the Indonesia Stock Exchange with the issuer code 'ELSA' and has five subsidiaries that support its competence.
