PRESS RELEASE

Ensure HSSE Aspect, Elnusa Management Conducts MWT to Warehouse Duri Riau

Duri, Riau April 13 2023, PT Elnusa Tbk (Elnusa) carried out a Management Walkthrough (MWT) to Warehouse Duri Riau. Elnusa's Warehouse currently supports the Pertamina Hulu Rokan (PHR) Project Operation & Maintenance.

The purpose of implementing this MWT is to ensure that the Company's Health Safety Security & Environment (HSSE) aspects are understood by all employees and to ensure that HSSE policies have been implemented in accordance with applicable regulations.

The MWT visit which was held on Wednesday 12 March 2023 was attended by MWT officials including Elnusa Main Director John Hisar Simamora, Elnusa Business Development Director Ratih Esti Prihatini, Elnusa Vice President Marketing & Business Development Hera Handayani, Elnusa General Manager of EPC OM Elnusa Rudiawan, General Manager of Marketing & Business Development Elnusa Construction Fabrication (EFK) Enrico Arman, and all the team on duty.

Elnusa President Director John Hisar Simamora on the MWT occasion greeted one by one the Officers and conveyed how important the HSSE and AKHLAK moments were as a form of reminder to all workers in the field. "The HSSE Golden Rules and 15 Corporate Life Saving Rules (CLSR) are very important as the basis for all officers in carrying out all work and it is no less important to continue to remember to implement AKHLAK's values in their daily work," said John.

John added, "I look optimistically at Elnusa's business opportunities going forward in Duri Riau, therefore this visit is also an additional encouragement for Elnusa Officers and Pertiwi here to do the best job possible and prioritize HSSE in every aspect of work," concluded John.

About Elnusa (IDX: ELSA)

Elnusa is a subsidiary of PT Pertamina Hulu Energi (PHE) incorporated in Subholding Upstream Pertamina. As a total energy services solution company, Elnusa has core competencies in upstream oil and gas services, supporting services, and energy distribution and logistics services. The upstream oil and gas service line includes Geoscience & Reservoir services (land, transition zone & marine, and data processing), oil and gas field drilling & maintenance services (drilling & workover), engineering, procurement, construction & operation maintenance (EPC-OM) services. Supporting service lines include marine support services, fabrication, to data management. The energy distribution and logistics service line includes fuel transportation services, depot management, and chemical sales. Currently, Elnusa serves national and international oil and gas companies, including Pertamina Group, British Petroleum, Conoco Phillips, Soco Exploration (Vietnam) Ltd, etc. Elnusa is listed on the Indonesia Stock Exchange with the issuer code 'ELSA' and has five subsidiaries that support its competence.
