PRESS RELEASE

Elnusa Shares Energy with Students at Special Schools (SLB)

Jakarta, 17 April 2023 - PT Elnusa Tbk (Elnusa) held a Corporate Social Responsibility (CSR) activity through the Benefit Sharing Action Program (ATM) for Special Schools (SLB) where this time it visited the Nusantara Special Education Foundation (YPLB), which provides a BCD Boarding School (SLB) located on Jl. Sempu 1 Rt006/004 Beji, Depok, West Java, Wednesday (12/04/2023). ATM is an activity to visit Special Schools by sharing joy, knowledge and providing gross motoric learning assistance so that SLB students can be more enthusiastic, cheerful and happy by having new friends while learning together.

This event is one of the CSR activities in the field of education to build self-confidence by raising enthusiasm at Special Schools involving Elnusa Officers as volunteers (Volunteers). In addition, the volunteers who are members of the Elnusa Benefit Sharing Action also spread positive energy by guiding students to find their potential, overcome problems around their uniqueness, introduce them to the environment and plan for the future with several games and performances that are given well. from YPLB students and volunteers.

Elnusa's Corporate Secretary, Asmal Salam said that this program was extraordinary and had been carried out on an ongoing basis. Hopefully, this Spread of Benefits Action will provide enthusiasm and joy by replenishing students' self-energy, as well as the infrastructure assistance provided can motivate, and give positive enthusiasm for the benefit of knowledge within YPLB Nusantara. Not only that but hopefully these students with special needs can later become independent and successful children in the future.

"This assistance is a form of Elnusa's concern for students with special needs at SLB BCD Nusantara. Hopefully, the activities that have been carried out can give a positive impression on the hearts of the students," said Asmal.

In this activity, Elnusa Officers who joined as ATM volunteers were invited to study together with interesting games with 113 students with special needs at YPLB Nusantara.

Elnusa At a Glance (IDX: ELSA)

Elnusa is a subsidiary of PT Pertamina Hulu Energi (PHE) which is part of the Pertamina Upstream Subholding. As a total energy service solution company, Elnusa has core competencies in upstream oil and gas services, support services and energy distribution and logistics services. The upstream oil and gas service line include Geoscience & Reservoir services (land, transition zone & marine and data processing), oil and gas field drilling & maintenance services (drilling & workover), engineering, procurement, construction & operation maintenance (EPC-OM) services. Supporting service lines include marine support services, fabrication, to data management. Energy distribution and logistics service lines include fuel transportation services, depot management, to chemical sales. Currently, Elnusa serves national and international oil and gas companies, including Pertamina Group, British Petroleum, Conoco Phillips, Soco Exploration (Vietnam) Ltd and others. Elnusa is listed on the Indonesia Stock Exchange with the issuer code ELSA and has five subsidiaries that support its competence. Further information can be accessed at www.elnusa.co.id.
