## ***Press Release***

# **Elnusa's steps to support Special Friends' People development and a sustainable environment in Jambi Merang**

**Jakarta, March 7 2024** – PT Elnusa Tbk (ELNUSA, IDX: ELSA), a subsidiary of PT Pertamina Hulu Energi (PHE) which is part of the Pertamina Upstream Subholding, is implementing a Social and Environmental Responsibility (TJSL) program in one of the Elnusa projects, region Jambi Merang. This program is called 'Base Jam' (With Elnusa Jambi Merang).

The initial activity carried out was the Action to Spread Benefits to Special Friends of Elnusa by visiting the Sekayu State Special School (SLB) in Musi Banyuasin Regency on Monday, February 26 2024. This program aims to provide enthusiasm and assistance in spreading positive energy, and developing abilities fine motor and gross motor nerves of students from Perwira Elnusa.

In the activity of Spreading Benefits to Special Friends, space was given to display their skills, namely dancing, reading poetry, reciting verses from the holy Koran and making the call to prayer. Apart from that, joint game activities are also carried out by describing and telling stories about hopes and dreams. Meanwhile, to support educational skills facilities at the Sekayu State SLB, Elnusa supports the provision of creative tools and educational games for Special Friends. Apart from that, this program also provides benefits in supporting the skills of Special Friends who produce work in the form of knitted bags, decorative wallets, beaded bracelets and doormats knitted using special tools.

Still in the same series, on Tuesday, February 27 2024, the Elnusa Sehati "Goes to Health" Program was implemented by presenting a team of health practitioners to educate through knowledge about Clean and Healthy Lifestyles (PHBS) and First Aid to elementary school students. 2 Times Berau. In this activity, Elnusa provided health equipment in the form of first aid kits which will be used for the School Health Unit (UKS), and also generator units to see the potential for power outages which still frequently occur at learning locations. On the same day, the Elnusa Green Action program was implemented in the environmental sector by planting 100 trees in the school area of SDN 2 Kali Berau in the area of various types of fruit.

Elnusa Corporate Secretary Asmal Salam said, "This program is based on the implementation of the Sustainable Development Goals (SDGs) in Indonesia and embracing local residents by providing benefits both directly and indirectly to community members around the Ring 01 Elnusa Project area in the Jambi area Merang," concluded Asmal.
